Grenfell Health Recover Network
Tuesday 11 August 2026
5.30pm – 7.30pm
Unity Conference Room, the Westway Trust, 1 Thorpe Close, London W10 5XL

Actions

1. **Clarify the Grenfell Health and Wellbeing Service (GHWS) transition position**, including the specific position on tapering/winding down existing community cases, future acceptance of new community referrals, relevant timescales and the support available to residents whose needs continue.

   A series of Grenfell Health Community Information and Feedback sessions have been arranged and widely communicated, plus the next Network meeting is planned, to share information about, and discuss, the proposed Model of Grenfell specific mental health services from April 2027 onwards.

   GHWS representatives from Central and North West London NHS Foundation Trust present to answer questions, Input and feedback shared will be publicised on Grenfell Health and Wellbeing Service website:

2. **Ensure consistent information about the GHWS transition is communicated to Network participants and communities**, addressing differences between information being heard from different sources.

   This information is publicised on CNWL / Grenfell NHS websites – and communicated by email. Please see details under above 1.

3. **Share the published CNWL proposed service model / relevant web information with Network attendees**.

   Actioned on Monday 10 August 2026, shared via email with the Network attendees who registered their interest to attend the Network meeting of Tuesday 11 August 2026, and published on Grenfell Health and Wellbeing Service website as detailed above under 1.

4. **Publish the record of the 11 August Network meeting online and circulate it to attendees**, and use previous meeting records alongside future invitations to support transparency and continuity.

   Minutes of the Network's first meeting of Tuesday 11 August 2026 was shared via email on Friday 21 August 2026, with those who registered interest to attend the meeting, those who attended the meeting without registration and those who sent in their apologies in writing.

   And are published Here

5. **Enable engagement with the Network between formal meetings**, including opportunities for participants to suggest priorities and future agenda items through the Network secretariat.

   This option is always available and was emphasised by the Network Chair at the meeting of Tuesday 11 August 2026 as well.

   Network secretariat can be contacted at wnlicb.nkrt@nhs.net and this contacted detail is publicised on the Grenfell NHS website (Here)

6. **Invite the successful lead provider for future community wellbeing support to engage with the Network**, once the procurement process is concluded, to explain the approach and enable questions and discussion about priorities.

   This is being actioned, and has been added for Network's future meeting by December 2026.
