This document provides a detailed overview of the financial expenditures on services for Grenfell survivors, the bereaved, and local residents. It outlines the significant investments made in various health and wellbeing initiative, since the programme commenced, highlighting the dedicated efforts to support the affected community. Key areas of expenditure include dedicated services for survivors and the bereaved, health checks and primary care, specialist services, self-care initiatives, emotional health services, and activities for children and young people. In summary:

Over £53 million has been invested in additional Grenfell specific services to support local resident's affected by the Grenfell tragedy. This includes:

- The dedicated service for survivors and bereaved individuals has a total expenditure of £7,334,000 over the five-year period ending in 2025
- The total expenditure for primary and community care amounted to £4,310,000
- Total expenditure for specialist services reached £1,240,000
- Self-Care Initiatives came to £2,221,000
- The Grenfell Health & Wellbeing Service has a total expenditure of £33,499,000
- Extra activities for children and young people accounted for £383,000
- NHS North West London programme costs at £4,035,000.

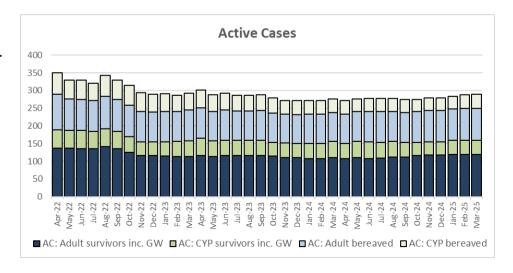

These figures highlight the substantial investments made to support Grenfell survivors, the bereaved, and local residents, reflecting a strong commitment to improving community wellbeing.

Dedicated service (DS) for survivors, bereaved and residents of Grenfell Walk

| North Kensington Recovery | | | | | | | | | | |

Since January 2019 there have been over 9,000 Enhanced Health Checks (EHC) completed across practices and the community.

- 319 (73%) of survivors have attended at least one EHC, over 230 survivors have attended a second.
 - o 62% of children and young people (CYP) survivors
- 340 (70%) of bereaved have attended at least one EHC with over 200 attending a second.
 - o 55% of CYP bereaved

Over 5000 patients from the community have attended at least one Health Check.

Specialist Services

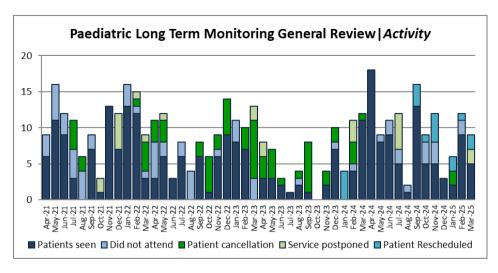

| North Kensington Recovery | | | | | | | | | | |
|------------------------------------------------|-------|-------|-------|-------|-------|-------|-----------------|-------|-------|----------|
| Programme Expenditure | 18/19 | 19/20 | 20/21 | 21/22 | 22/23 | 23/24 | 5 Year Spend | 24/25 | Total | Comments |
| | | | | | | | | | | |
| Adult Respiratory Long-Term Monitoring Service | | 154 | 52 | 121 | 79 | 134 | 540 | 106 | 646 | |
| Paediatric Long-Term Monitoring Service | | 108 | 46 | 75 | 109 | 91 | 419 | 175 | 594 | |
| Specialist Services Total | 0 | 262 | 99 | 195 | 188 | 215 | 959 | 281 | 1,240 | |

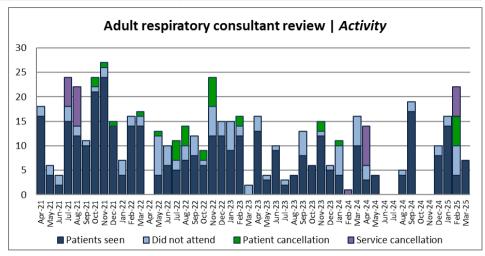

Adult Respiratory Long-Term Monitoring Service

Of the current adult survivors, 168 have been referred to the service and 135 were able to attend.

A collaboration with the dedicated service will ensure that any survivor who wishes to access the respiratory monitoring service, but have not yet been able to, can be supported to do so.

The service also reviewed 34 patients from the community who had exposure concerns about their respiratory health, though were not in the tower on the night of the fire.

Paediatric Long-Term Monitoring Service

The service has had 148 referrals since September 2019, of those 124 have been able to attend.

All of the current Tower survivors have been offered the service by the NHS Dedicated Service. Of those 38 have been seen, 3 declined and 1 has been transferred to the adult service.

Self-Care
